

Exhibition opportunities

NARVIK - NORWAY

10th to 14th JUNE 2019

A Trade Exhibition will run concurrently with the International Heavy Haul Association STS Conference in Narvik in June 2019.

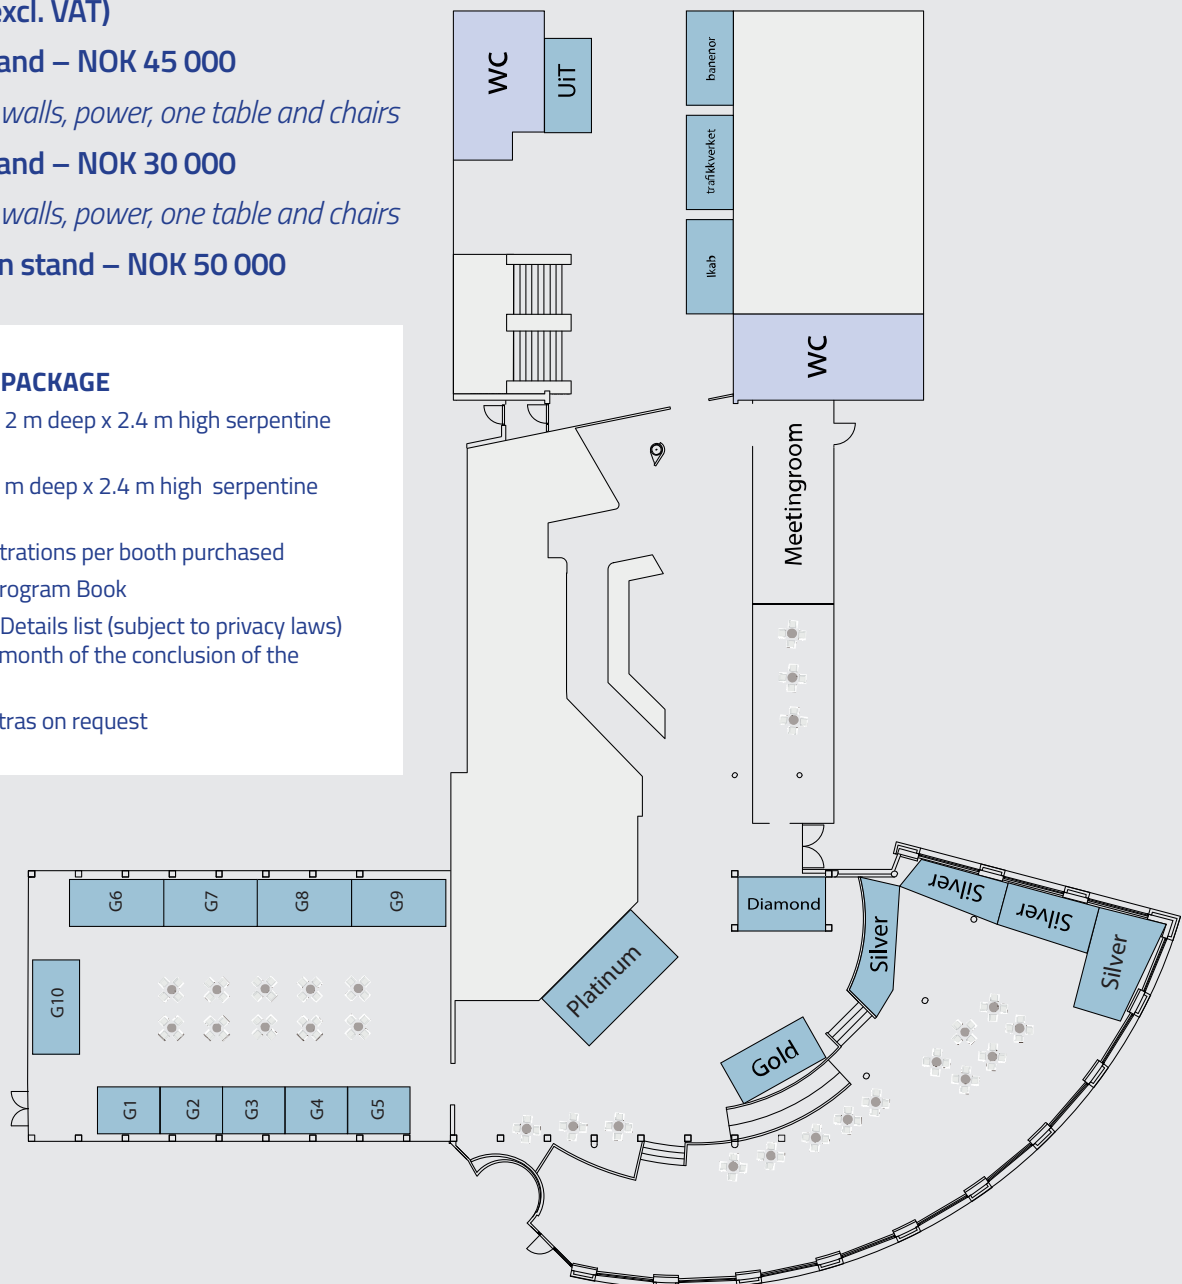

This is an ideal opportunity for companies and institutions wishing to showcase or introduce their brand, products and services to the international heavy haul community. The Welcome Reception, Tea/Coffee breaks and lunch will be served in the exhibition area, thereby ensuring a consistent flow of delegates. Exhibitors will therefore be exposed to a captive audience from the Global and Heavy Haul Railway community for the duration of the conference.
